

Certificate of Compliance

TFM-ELD Model No TFM100 and Version 3.2.8 & up has been sufficiently tested to meet the functional requirements included in the technical specifications in the Appendix to subpart B of part 395, title 49 of the Code of Federal Regulations, under the conditions in which the ELD would be used. Certification procedure follows the guidelines set forth by the Electronic Logging Device (ELD) test Plan and Procedures published by the United States Federal Motor Carrier Safety Administration (FMCSA).
